

STAND UP CT

A Collaborative Workshop Series for
Human Rights, Equity & Justice

The fifth workshop in a fall 2020 series...

Workshop: Change Through Civic Engagement

Wednesday, October 28 @ 6 pm

This workshop is designed to equip its participants with the tools necessary to be civically engaged and active in their communities. We will go over specific communication strategies, how to build effective relationships with other community members and government officials, and work to get participants comfortable when engaging with their communities.

This family-friendly workshop is designed to be both informative and interactive.
